ONLINE OPPORTUNITIES

Downtown newsmagazine offers a number of opportunities to extend your brand marketing beyond the printed monthly product of Downtown Birmingham/Bloomfield, all designed to drive traffic to your website.

We offer advertising opportunities on our website downtownpublications.com, which averages 40,000 monthly visitors.

WEBSITE ADS

We offer four sizes of tombstone ads on our website, listed here in pixels (px) for those accounts who are creating their own ad. These ads appear on our website homepage and all interior pages of the site, and link to your website.

The basic or **small** ad size 125px by 125px (pixels).

The **medium** ad size comes in two configurations, **horizontal** or **vertical**. Basically the medium ad size is twice the size of the small ad.

The **vertical medium ad** measures 125px width by 265px depth.

The **horizontal medium ad** measures 265px width 125px depth.

The **large ad size** is basically equal to four of the small ad size boxes. The **large ad size** measures 265px by 265px. *continued>>>*

Downtown newsmagazine also offers the opportunity to have your special promotion about your business or perhaps an upcoming event emailed to our confidential email list. We only do these on a limited basis each month which boosts readership and click-through rate because our newsletter recipients are not fatigued by too many promotions.
